About Us

Private Event Insurance was created as a sister program to [WedSafe](#), the top wedding insurance program in the United States.

WedSafe was founded in 1999 by a couple who were unsuccessful in finding insurance protection for their own wedding and were motivated to provide the coverage for other couples in the future. As the success of the WedSafe program grew, they heard from many people who needed similar protection for other kinds of private events, and Private Event Insurance was born.

Both WedSafe and Private Event Insurance are brought to you by Affinity Insurance Services, Inc. and our ultimate parent company, [Aon plc](#).

Our special event cancellation and liability insurance policies are underwritten by K&K Insurance Group, Inc and Nationwide Group insurance companies which have A+ (Superior) A.M. Best Company Ratings.

If you have any questions, please use our [Contact Us Form](#) or call 877-723-3933.
