**Overall Project Details:**

The project proposes to perform pavement rehabilitation on Central Avenue, from Railroad Avenue to Pine Street, approximately 0.3 mile. The project includes areas of fatigue of the existing pavement, reconstruction of curb ramps to meet ADA compliance, removal and replacement of damaged curb & gutter, pavement marking & striping, and other associated improvements necessary to improve the roadway condition. In addition to pavement rehabilitation, the project also includes the upsizing of the sewer main in Central Avenue from Railroad Avenue to the alleyway halfway to West Avenue and an upsizing of the 6-inch water main in Central Avenue from Railroad Avenue to Hackett Road.
